1. Aims

Our school aims to:

- Have robust, clear processes in place for charging and remissions
- Clearly set out the types of activity that can be charged for and when charges will be made

2. Legislation and guidance

This policy is based on advice from the Department for Education (DfE) on [charging for school activities](#) and [the Education Act 1996](#), sections 449-462 of which set out the law on charging for school activities in England. Academies are required to comply with this Act through their funding agreements.

This policy complies with our funding agreement and articles of association.

3. Definitions

- Charge: a fee payable for specifically defined activities
- Remission: the cancellation or part-cancellation of a charge which would normally be payable

4. Roles and responsibilities

4.1 The governing body

The governing body has overall responsibility for approving the charging and remissions policy, but can delegate this to a committee, an individual governor or the headteacher. The governing body also has overall responsibility for monitoring the implementation of this policy. At East Herrington Primary Academy, monitoring the implementation of this policy has been delegated to the Finance & Premises Committee.

The governing body recognises the valuable contribution that a wide range of activities, including music tuition, residential experiences and clubs, can make to all aspects of our pupils' education. The Governing Body would accordingly wish to promote and provide as far as possible such activities as part of a broad and balanced curriculum for the benefit of pupils of the school.

4.2 The headteacher

The headteacher is responsible for ensuring staff are familiar with the charging and remissions policy, and that it is being applied consistently.

4.3 Staff

Our staff are responsible for:

- Implementing the charging and remissions policy consistently
- Notifying the headteacher of any specific circumstances which they are unsure about or where they are not certain if the policy applies

The senior leadership team will provide staff with appropriate training in relation to this policy and its implementation.

4.4 Parents

Parents are expected to notify staff or the headteacher of any concerns or queries regarding the charging and remissions policy.

5. The school cannot charge for:-

5.1 Education

- Admission applications

- Education provided during school hours relating to the national curriculum (including the supply of any materials, books, instruments or other equipment)
- Education provided outside school hours if it is part of the national curriculum, a syllabus for a prescribed public examination that the pupil is being prepared for at the school, or part of religious education
- Instrumental or vocal tuition, for pupils learning individually or in groups, if the tuition is required as part of the national curriculum
- Entry for a prescribed public examination if the pupil has been prepared for it as part of the national curriculum
- Examination re-sit(s) if the pupil is being prepared for the re-sit(s) at the school

5.3 Residential visits

- Education provided on any visit that takes place during school hours
- Education provided on any visit that takes place outside school hours if it is part of:
 - The national curriculum
 - A syllabus for a prescribed public examination that the pupil is being prepared for at the school
 - Religious education
- Supply teachers to cover for those teachers who are absent from school accompanying pupils on a residential visit

6. The governing body reserves the right to charge for:-

6.1 Education

- Any materials, books, instruments or equipment, where the child's parent wishes him or her to own them
- School Meals
- Optional extras (see below)
- Music and vocal tuition outside of the national curriculum
- Certain early years provision
- Community facilities

6.2 Optional extras

We are able to charge for activities known as 'optional extras'. In these cases, the school can charge for providing materials, books, instruments or equipment. The following are optional extras:

- Education provided outside of school time that is not part of the national curriculum, a syllabus for a prescribed public examination that the pupil is being prepared for at the school or religious education
- Examination entry fee(s) if the registered pupil has not been prepared for the examination(s) at the school
- Transport (other than transport that is required to take the pupil to school or to other premises where the local authority/governing board has arranged for the pupil to be provided with education)
- Board and lodging for a pupil on a residential visit
- Extended day services offered to pupils (such as breakfast clubs, after-school clubs, additional childcare, sports clubs etc.)

When calculating the cost of optional extras, an amount may be included in relation to:

- Any materials, books, instruments or equipment provided in connection with the optional extra
- The cost of buildings and accommodation

- Non-teaching staff
- Teaching staff engaged under contracts for services purely to provide an optional extra (including supply teachers engaged specifically to provide the optional extra)
- The cost, or an appropriate proportion of the costs, for teaching staff employed to provide tuition in playing a musical instrument, or vocal tuition, where the tuition is an optional extra

Any charge made in respect of individual pupils will not be greater than the actual cost of providing the optional extra activity, divided equally by the number of pupils participating.

Any charge will not include an element of subsidy for any other pupils who wish to take part in the activity but whose parents are unwilling or unable to pay the full charge.

In cases where a small proportion of the activity takes place during school hours, the charge cannot include the cost of alternative provision for those pupils who do not wish to participate.

Parental agreement is necessary for the provision of an optional extra which is to be charged for.

6.3 Music tuition

The school can charge for vocal or instrumental tuition provided either individually or to groups of pupils, provided that the tuition is provided at the request of the pupil's parent.

Charges may not exceed the cost of the provision, including the cost of the staff giving the tuition.

Charges cannot be made:

- If the teaching is an essential part of the national curriculum
- If the teaching is provided under the first access to the Key Stage 2 instrumental and vocal tuition programme
- For a pupil who is looked after by a local authority

6.4 Residential visits

We can charge for board, lodging and transport on residential visits, but the charge must not exceed the actual cost.

7. Voluntary contributions

As an exception to the requirements set out in section 5 of this policy, the school is able to ask for voluntary contributions from parents to fund activities during school hours which would not otherwise be possible. Some activities for which the school may ask parents for voluntary contributions include:

- School trips
- Transport costs
- Experience days in school

There is no obligation for parents to make any contribution, and no child will be excluded from an activity if their parents are unwilling or unable to pay. If the school is unable to raise enough funds for an activity or visit then it will be cancelled.

8. Remissions

In some circumstances the school may not charge for items or activities set out in sections 6 of this policy. This will be at the discretion of the governing body and will depend on the activity in question.

It is the policy of East Herrington Primary Academy to provide some optional extras on a subsidised or no-cost basis for pupils eligible to receive Pupil Premium funding. Parents of eligible pupils will be notified of remissions available prior to their child accessing the activity.

8.1 Remissions for residential visits

Parents whose child receives Pupil Premium funding and who can prove they are in receipt of the following benefits will be exempt from paying the full cost of board and lodging for residential visits:

- Universal credit in prescribed circumstances
- Income Support
- Income Based Jobseekers Allowance
- Support under part VI of the Immigration and Asylum Act 1999
- Child Tax Credit, provided that Working Tax Credit is not also received and the family's income (as assessed by Her Majesty's Revenue and Customs) does not exceed £16,105
- The guarantee element of State Pension Credit
- An income related employment and support allowance that was introduced on 27 October 2008

This list may be amended by the Department for Education at any time. A full list of eligible benefits can be found via the following link: <https://www.gov.uk/apply-free-school-meals>

9. Monitoring arrangements

The Office Manager monitors charges and remissions, and ensures these comply with this policy.

This policy will be reviewed on a yearly basis. At every review, the policy will be approved by the governing body.
