

The School day

Please look carefully at the start and finish times for your child's year group. There is a 10-minute slot for each year group and we kindly ask that children are dropped off or picked up within this time. This will support the school in ensuring we do not have too many people on the premises at one time and **allow both gates to the school to be used** for entrance and exit.

What do I do if I have children in different year groups?

Please arrive at school for the earliest time in the morning and the latest at home time. E.g. If you have a child in Reception and Year 3, come to school at the allocated slot for Reception in the morning as this is earlier. Staff will be on the Reception door and there will be a member of staff on the KS2 yard to direct your children into their classes. Reception school day will start at 8:50 and therefore doors will be closed at this time. They cannot access through other doors due to keeping all year groups apart. When collecting the children at home time, you will need to come at the later time, which in this case is 3:30 to pick up **both** children. Although the majority of reception children will have gone home a member of staff will be waiting with children who have siblings.

The KS2 yard:

The entrance gate on Balmoral Terrace will be entrance only and the car park gates will be exit only. There will be signs to support the systems in place so please do not worry. Staff will be around to support everyone in getting used to these new systems.

KS2 am – it will work best if parents just drop children at the gate to school – please do not worry if you need to walk to the KS1 yard as this will follow a 1-way system past the main part of the school.

KS2 pm – there will be waiting areas for Year groups and parents will be asked to wait towards the back of the playground and then follow a 1-way system out of the yard.

We ask parents to be sensible and step aside to let people through gates as we cannot avoid some areas where this may happen.
